(Designation) Offg. Inspector-General of Prisons.

To The Secretary to the Government of Madras,
Home Department.

Sir,

The Exe. West Coast Division, Calicut reports that the date of construction of the Warders' huts proposed for reconstruction is not available in his registers. It is reported that at the instance of the Superintendent, the Sub Divisional Officer, Public Works Department inspected the huts in the beginning of the year 1936 and found the walls cracked at the junctions of mud and laterite walls which were not built properly. There were leakages in the Mangalore-tiled roof and fall of water on the mud walls and consequent damages. In the circumstances the Public Works Department came to the conclusion that the huts are useless for habitation any longer and proposed their reconstruction.
